

Knitting Lessons

The Studio at St. Mary's: Space to Create

Instructor: Holly Nowak

Holly learned to knit with her mom and aunt, growing up they always had a project on their needles! She has been knitting and designing knitted projects ever since and has knitted and created everything from caps to coats, blankets to afghans, and sweaters to shawls all for adults and children. She will help you find your way through yarn, patterns and projects as you learn and enjoy this traditional folk art.

The Basics, A Beginner Class – Monday Mornings

Beginners will learn the basics: casting on & off stitches, knitting styles, knitting & purling stitches to create your first scarf. Bring your own materials or pay an additional \$5 materials fee.

The Next Steps, An Intermediate Class – Wednesday Mornings

This is for Intermediate knitters who need help with the next steps on a project or want to challenge themselves with the next project but not sure where to start! Bring your own materials.

COST: \$10 a session and each session is approximately an hour

Classes are ongoing! Call or email to register. Class size is limited.

To register, or for more information, contact Holly Nowak at 814-860-4001 or HollyNowak@gmail.com
